

Enabling bright outcomes

A hand is shown on the right side of the image, interacting with a digital interface. The interface displays a complex network graph with numerous blue nodes and connecting lines. The background is dark blue with a subtle grid pattern. The text is white and bold, positioned in the lower-left quadrant of the image. Two red L-shaped brackets are located on the left and right sides of the text.

ENTERTAINMENT

“As part of our continued commitment to provide unparalleled cinematic experiences for our guests, we invest in the most advanced projection technology: Barco flagship laser.”

Adon Quinn

Senior Director Reel Cinemas

HEALTHCARE

"The Coronis Uniti® is a large part of our technology excellence strategy to deliver better patient care. The simplicity and universality of Uniti, of having the quality to read everything from mammo to an extremity X-ray improves our radiologist productivity."

Stan Casteel

Hamilton Healthcare, US

ENTERPRISE

“Opspace’s innovative technology as well as its future-proof and scalable system architecture, which even integrates with video walls in the main control rooms, won us over. We’re impressed.”

Ulrich Reichelt

Control center department manager
